

Belt Sander

9920

Product Description

1 010 W • 210 – 440 m/min • 76 mm

Powerful belt sander for polishing and material removal with adjustable speed

An easy-to-use belt sander with a powerful 1 010 W motor. The belt speed can be adjusted between 210 – 440 m/min. The flat top design allows the sander to also be used as a benchtop tool.

Product Features

- ⦿ Electronically adjustable belt speed
- ⦿ Ideal for removing stains on floors and walls, removing rust from steel sheets or removing old paint
- ⦿ Strong suction power in the dust bag or external removal can be connected
- ⦿ Professional belt sander with perfect weight distribution
