

BL4050 XGT BATTERY 40V MAX 5Ah

191L47-8

Product Description

Product Features

- ◎ Battery level indicator
- ◎ Digital communication between tool and battery
- ◎ Thanks to the tool-battery communication, in which tool and battery data such as their specifications and status are exchanged, the potential extraction rate of XGT Li-Ion battery is higher than that of LXT Li-Ion battery
- ◎ More detailed information on usage history
- ◎ Cooling system for maximum battery life
- ◎ Developed for products frequently used for continuous operations
- ◎ Screw construction allows for easy disassembly for recycling
- ◎ Drastically increased water and drop impact resistance compared with that of LXT Li-Ion batteries
- ◎ Battery fuel gauge: 4-LED gauge (green), with a check button
