

Cordless Hedge Trimmer XGT UH023GZ

Product Description

- 40V MAX XGT • BL • XPT

Cordless Hedge Trimmer powered by a 40Vmax XGT Li-Ion battery.

UH023G is a 200mm (7-7/8") cordless hedge trimmer powered by a 40Vmax XGT Li-Ion battery. This tool delivers the power and durability required by professional landscapers for topiary work, while offering a compact, lightweight design for excellent maneuverability.

UH023GZ comes without battery charger and carry case.

Product Features

- ⊙ Lightweight design for excellent maneuverability
- ⊙ Designed for topiary work, the lightweight bar-handle design and compact protector deliver excellent maneuverability.
- ⊙ A lower bar-style handle brings the grip closer to the center of gravity, helping reduce wrist strain.
- ⊙ An aluminum cooling fan improves cooling efficiency for smoother cutting and a reduced risk of jamming when cutting thick branches.
- ⊙ Metal gears and bearings provide a durable drive system, and a reinforced crank contact area helps reduce the risk of blade detachment.
- ⊙ The three-facet, obliquely ground blades hold branches firmly for reliable cutting and leave a clean finish.
