

Cordless Pruning Shear LXT

DUP181Z

Product Description

18V LXT • BL • XPT

Cordless Pruning Shear powered by 18V LXT® Li-Ion battery

Equipped with a brushless motor, this tool cuts branches up to 30 mm in diameter, weighs only 1.1 kg (with the BL1815N battery), provides a slim grip with a 125 mm circumference, offering smooth and effortless pruning.

DUP181Z comes without battery, charger and carry case

Product Features

- ⦿ The sensor built into the motor ensures smooth blade synchronization with the trigger and offers excellent trigger responsiveness even at low speeds for precise pruning.
- ⦿ Four adjustable opening angles to suit different branch sizes for enhanced efficiency
- ⦿ The standby mode is convenient for temporarily storing the tool in a holster between tasks.
- ⦿ Lubricating oil can be applied from the outside without disassembly.
- ⦿ Cutting depth can be adjusted after blade replacement.
- ⦿ Lightweight design minimizes fatigue during extended use
- ⦿ The brushless motor provides longer work hours per charge and extended tool life.
- ⦿ Water-resistance compatible with XPT

Product Specifications

Max cutting capacity	30 mm
Time from fully open to fully closed	0.34 sec
Circumference of grip portion	125 mm
Dimensions (L x W x H)	300 x 75 x 113 mm (with BL1820B)
Net weight	0.76 kg (without battery)

Standard Equipment

- ⦿ Blade Cover
- ⦿ Hex Wrench
- ⦿ Socket Wrench
