

## Disc Sander

# GV6010

### Product Description

440 W • 150 mm • 4 500 min<sup>-1</sup>

#### Compact sander makes quick work of sand-jobs with less operator fatigue

Lightweight vertical sander with trigger lock-on button takes the stress off your trigger finger during those extended jobs. Makita designed this sander with the motor over the pad for better balance and control.

### Product Features

- ◎ Compact and lightweight design
- ◎ The rubber coating on the handle ensures a firm working grip
- ◎ Spiral bevel gears for smoother rotations, quieter gear noise and a more efficient transfer of energy
- ◎ Double insulated
