

Disc Sander GV6010

Product Description

440 W • 150 mm • 4 500 min⁻¹

Compact sander makes quick work of sand-jobs with less operator fatigue

Lightweight vertical sander with trigger lock-on button takes the stress off your trigger finger during those extended jobs. Makita designed this sander with the motor over the pad for better balance and control.

Product Features

- ⊙ Compact and lightweight design
- ⊙ The rubber coating on the handle ensures a firm working grip
- ⊙ Spiral bevel gears for smoother rotations, quieter gear noise and a more efficient transfer of energy
- ⊙ Double insulated

Product Specifications

Sanding pad diameter	150 mm
