

Disc Sander

GV7000C

Product Description

900 W • 180 mm • 0 - 4 700 min⁻¹

Vertical sander makes quick work of sand-jobs with less operator fatigue

Lightweight vertical sander with trigger lock-on button takes the stress off your trigger finger during those extended jobs. An electronic variable speed control maintains desired operating speed under load. Makita designed this sander with the motor over the pad for better balance and control.
