

Flashlight LXT DML812Z

Product Description

18V LXT • 71 000 lx

Handy sized and efficient flashlight

Light for 14.4V and 18V LXT batteries with four power settings. It works great as a general light and is a great tool for illuminating dark objects on the job site or providing extra lighting for high-precision work. The luminaire head can be folded 90°. Tool only, battery and charger not included.

Product Features

- ⊙ The rubber coating on the handle ensures a firm working grip
- ⊙ Battery protection system automatically shuts off power when the battery level is low
- ⊙ XPT (Extreme Protection Technology) is engineered for improved dust and water resistance for operation in harsh job site conditions
- ⊙ Bulb replacement is not required when using an LED bulb.

Product Specifications

Color temperature	5000 K
Continuous use 18V / 6.0 Ah battery	6 / 7,5 / 10 h
