

Grass Trimmer LXT

DUR190URT3

Product Description

18V LXT • 3 500 - 6 000 min⁻¹ • 230 / 255 / 300 mm

Brushless trimmer with a offset bikehandle and auto-speed control for trimming greenspaces

Powerful line trimmer with a offset bikehandle for trimming gardens and other green spaces. Equipped with an automatic speed control for adjusting speed in line with load. Low vibration and noise levels and good ergonomics ensure a good user experience. Includes 2 x 5,0 Ah batteries and rapid charger DC18RC.

Product Features

- ⦿ Low power consumption thanks to brushless motor
- ⦿ ADT (Automatic torque Drive Technology): The speed is automatically regulated during operation in order to achieve optimum performance depending on the requirements
- ⦿ Active Feedback sensing Technology (AFT) stops the engine if the rotation suddenly stops
- ⦿ XPT (Extreme Protection Technology) is engineered for improved dust and water resistance for operation in harsh job site conditions
- ⦿ A protective hood for metal sheet, plastic knife and line head
- ⦿ Tool-free shaft lock
- ⦿ Easy removal of grass and weed residues by reversing the direction of rotation
- ⦿ Battery protection system automatically shuts off power when the battery level is low
