

Heated Blanket LXT DCB200BZ

Product Description

18V LXT • 70 x 140 cm

Battery-powered thermal blanket heats up quickly

The battery-powered thermal blanket heats up quickly and is easy to attach either to the shoulders or to the waist. Pressing the power switch for a few seconds turns the power on and off. The blanket has three temperature settings and a pocket for the battery adapter. The blanket is machine washable, and be sure to remove the battery adapter before washing. Tool only, battery and charger not included.

Product Features

- ⊙ Stay warm in cold harsh job site environments
- ⊙ 3 heat settings (high/ medium/ low) for desired warmth
- ⊙ Polyester outer for increased wind and water resistance
