

## Lawn Mower 64V Max LM004JZ

### Product Description

64Vmax • 530 mm • 3200 W • 70 L

**Model LM004J is a 530mm (21") cordless lawn mower powered by 64Vmax Li-Ion battery**

Higher voltage and New Outer Rotor BL motor enable high power and high efficiency operation similar to that of a 3kW class engine lawn mower.

With the new 64V MAX System, Lawnmower not only provides a cleaner and quieter operation but also delivers uncompromising mowing performance that outshines its petrol counterparts. Its cutting-edge technology ensures consistent power, allowing you to tackle even the most challenging lawn mowing tasks with ease.

- Steel Cutting Deck
- Equipped with self-propelled function. The self-propelled speed is 6.5km/h, the same as that of engine lawn mower, making it ideal for professional work
- Three Cutting Modes: Normal, Soft no-load, Noise reduction
- Tool-less handle height adjustment
- Tool-less Folding Handle
