### Product Specifications

|   |                               |
|---|-------------------------------|
| Plastic Carrying Case                       | 1                             |
| Vibration Level (3 axes), Sanding           | $\leq 2,5 \text{ m/s}^2$      |
| Battery Chemistry (Ni-Cd / Ni-MH / Li-ion)  | Li-ion                        |
| Tool weight with battery (EPTA)             | 1,7 - 2,0 kg                  |
| Brushless Motor                             | YES                           |
| Battery Voltage                             | 18 V                          |
| Sound Pressure Level                        | 69 - 76 dB(A)                 |
| Pad size (triangle)                         | 93 x 93 x 93 mm               |
| Vibration Level (3 axes), Cutting Chipboard | $\leq 2,5 \text{ m/s}^2$      |
| Vibration Uncertainty (K Factor)            | 1,5 m/s <sup>2</sup>          |
| Product Dimensions (L x W x H):             | 332 x 95 x 125 mm             |
| Oscillation Angle                           | 2 x 1,8 °                     |
| Vibration Level (3 axes)                    | $\leq 2,5 \text{ m/s}^2$      |
| Voltage LXT                                 | 1                             |
| System                                      | LXT 18V/36V                   |
| Product net weight (new)                    | 1,7 kg                        |
| Noise Uncertainty (K Factor)                | 3 dB(A)                       |
| Tool Category                               | Multifunction                 |
| Orbits per Minute                           | 10000-20000 min <sup>-1</sup> |

### Standard Equipment

- ⦿ Sold without Battery or Charger
