

Planer

2012NB

Product Description

1 650 W • 304 mm

Compact planer for heavy-duty use

An easily portable, compact planer. The machine is also suitable for large pieces and its automatic feed rollers make it easy to operate. Turning HSS blade as standard blade.

Product Features

- ⊙ Double edge planer blades
- ⊙ Less weight and compact design for job site portability
- ⊙ Large table extensions to support the workpiece
- ⊙ Easily adjustable cutting depth for precision planing

Barcode
