

Pole Hedge Trimmer XGT UN001GZ

Product Description

40V MAX XGT • BL •AVT •XPT

Cordless Pole Hedge Trimmer powered by 40Vmax XGT® Li-Ion battery

This new Pole Hedge Trimmer features a 600mm blade length with double-sided steel blades and provides a clean, efficient cut with up to 4,000 strokes per minute.

The adjustable head can be locked into 6 different positions all by using the convenient angle adjustment and the new style lock-off trigger allows the power to remain on for 60 seconds for improved efficiency.

UN001GZ comes without battery and charger
